About the Club

This club, and the Monday meetings, are open to members of Boy Scout Troop 446 and their families. Boy Scout Troop 446 is the founder of the Scouts' Computer Swap Meet (now known as the Scouts Electronicfest).

Electronicfest is the largest electronics swap meet in the southwest. It is held the third Sunday morning of every month, in Scottsdale, Arizona. This event has been in operation for more than 25 years. It is open, and free, to the public. Vendor space is available for a small fee. More information at www.electronicfest.com.
