### About the Club

Our Club was officially chartered on February 18, 2004 as an all volunteer club. We meet on the second Thursday of each month, starting at 1:00 pm with a presentation by a club member. At 1:15 our main speaker, usually furnished via our affiliation with AZacc gives the featured program, followed by a question and answer session, door prizes etc. On site sales are permitted. Membership is open to any resident of the community and their guests.

Classroom instruction in computer related subjects is scheduled in the Center for Higher Learning which has 12 computers for hands on learning, and in the Theatre using a projector and computer. We have active special interest groups in digital photography and genealogy.
