About the Club

We meet every Monday evening at 7:00 PM. The first Monday of the month is our business meeting. Special Interest Groups and Hands On sessions meet during the week with each being scheduled by the SIG Leader. General meetings are open to the public. We now have a Computer Lab in the new Multipurpose Building that houses our Hands On Computers, and in which our Hands-On and SIGs session are held. We will be hosting Apache Wells a Homeowners Access Lab starting in March 2005. Please contact Jan Davidson or Don Davidson to confirm meeting date and time
