About the Club

LPCC meets every Tue at 9:00 a.m. in the ballroom. Speakers are booked by AZACC for the 1st Tues. That meeting is open to the general public. We try to have speakers or some other presentation of interest thru out the year. Many sessions are Q & A. We work with Windows XP and are learning Vista.

As an offshoot of the computer club we have a digital camera club that meets every Mon. at 9:00 a.m. in the card room. It is open to LPCC members. We learn digital camera usage and go on photo "Safari's" for on site training. A sound system is available. On site sales are permitted.

Please contact the President or Coordinator to confirm meeting dates.
