Directions to our club

Mesa Regal RV Park Computer Club
 Regal Hall
 4700 East Main Street
 Mesa, AZ

From Sky Harbor Airport - South and east on I-10 towards Tucson, then east on I-60 (Superstition Freeway) to Greenfield Road in Mesa. North on Greenfield Road to Main Street, east to the Mesa Regal RV Resort at 4700 East Main Street. The entrance driveway is on the north side of Main, marked by a large illuminated sign. Go directly north past the patrol point and then continue due north to the Clubhouse Complex. An illuminated map to the left of the fountain will show the location of Royal Hall, where the meetings are held.

About the Club

General meetings are held most Thursdays at 10 AM (November-March) They are information sessions about class schedules, presentations and general information. There is usually a Q&A problem solving session where members seek assistance or information. Most sessions last about an hour but we have access to the room until 11:45 a.m.. We have a portable screen and computer run projector. Internet access can be provided through a Wi-Fi connection. The Club has a separate computer lab with 39 PC's for classroom purposes. We have a broad based schedule of computer classes with in-park instructors. Our meetings are open to anyone, and are held every Thursday between November 1 and April 1, except for major holidays and the week between Christmas and New Years. The 2nd Thursdays from November thru March are dates for the AZacc speaker. Anyone wishing to attend our meeting may contact our Program Coordinator or our chairman or consult our webpage. There are tabs at the top to get to our meetings and presentations pages.
