About the Club

Our club meets each Saturday at 9:00 a.m. in the Computer Room. Our meetings are open to visitors. Attendance at our meetings is open to all in the Park but membership is required to attend any of our SIG or educational sessions or to vote on Club business. Our audio/visual equipment is first class and we can accommodate most forms of presentations. Our business meetings are on the second Saturday and are presented only after the Speaker has completed his/her presentation. We accommodate Windows and Macs, but have a predominance of Windows activity. We would like to be contacted by outside visitors if they wish to attend a particularly interesting and appropriate session.
