About the Club

Our meeting begins with 10 to 15 minutes of announcements and then is available for presentations by guest speakers. The Garden Room is equipped with a sound system, telephone and Internet access, NEC projector with 1250 lumens, and a 10'x10' screen. The meeting room is approximately 35' x 75' and seats 200. For a larger attendance, we have access to our main ballroom which seats about 900. Usage time is very limited and has to be scheduled far in advance. General meetings are open to the public. Please contact Kay Johnson or Joe Chambers to verify dates and times.

Our club is open to the public for Alliance guest speakers. We would appreciate anyone wanting to attend our meetings to phone or e-mail one of our contacts beforehand. Summer contacts are either K. E. Johnson or Joe Chambers via e-mail.
